Fill in the gaps

With You by Chris Brown

I need you boo

I gotta see you boo

And there's hearts all over the world tonight

Said there's hearts all over the world tonight

I need you boo

I gotta see you boo

And there's hearts all over the world tonight

Said there's hearts all over the world tonight

Hey lil mama, ooh you're a stunner

Hot little figure, yes you a winner, and

I'm so glad to be yours

You're a class of your own and

Ooh little cutie, when you talk to me

I swear the whole world stops

You're my sweetheart and

I'm so glad that you're mine

You are one of a kind, and

You mean to me what I mean to you

And together baby there is nothing we won't do

'Cause if I got you

I don't need money

I don't need cars

Girl you're my heart

And oh, I'm into you and

Girl no one else would do

With every kiss and every hug

Fill in the gaps

You make me fall in love

And now I know I can't be the only one

I bet there's hearts all over the world tonight

With the love of their life who feel

What I feel when I'm with you, with you, with you, with you, with you... girl

With you, with you, with you, with you, with you... Oh girl

I don't want nobody else

Without you there's noone left, and

You're like Jordans on Saturday

I gotta have you and I cannot wait now

You know I care for you

You know that I will be true

You know that I won't lie
