

Found myself at your door

Fill in the gaps

Just like all (1) times before
I'm not sure how I got there
All roads, they lead me here
I imagine you at home, in your room, all alone
And you open your eyes into mine
And everything feels better
Right before (2) eyes I'm breaking
And fast, no reasons why
Just you and me
This is the last time I'm asking you this
Put my name at the top of your list
This is the last time I'm asking you why
You break my heart in the blink of an eye, eye, eye
You find yourself at my door
Just like all those times before
You wear your best apology
But I was there to watch you leave
And all the time to let you in
(3) for you to go again
Disappear when you come back
(4) is better
And right before your eyes I'm breaking

And fast, nowhere to hide	
Just you and me	
(5) is the last time I'm (6)	you this
Put my name at the top of your list	
This is the last time I'm asking you why	
You break my (7) in the blink of an	eye, eye,
eye	
This is the last time you tell me I've got it wrong	
This is the last time I say it's been you all along	
This is the last time I let you in my door	
This is the last time I won't hurt you anymore	
This is the last time I'm asking you this	
Put my name at the top of (8) list	
This is the last time I'm asking you why	
You break my heart in the blink of an eye	
This is the last time I'm asking you	
Last time I'm asking you	
Last time I'm (9) you this	
This is the last time I'm asking you	
Last time I'm asking you	
Last time I'm asking you this
