

Fill in the gaps

Found myself at (1) door	And fast, nowhere to hide
Just like all those times before	Just you and me
I'm not sure how I got there	This is the last (15) I'm asking you this
All roads, they (2) me here	Put my name at the top of your list
I imagine you at home, in your room, all alone	This is the last time I'm asking you why
And you open your (3) (4) mine	You break my heart in the blink of an eye, eye, eye
And everything feels better	This is the last time you tell me I've got it wrong
(5) before your eyes I'm breaking	This is the last time I say it's been you all along
And fast, no reasons why	This is the last (16) I let you in my door
Just you and me	(17) is the last time I won't hurt you anymore
This is the last (6) I'm asking you this	This is the last time I'm asking you this
Put my name at the top of (7) list	Put my name at the top of your list
This is the last time I'm asking you why	This is the (18) time I'm (19) you
You break my heart in the blink of an eye, eye, eye	why
You find yourself at my door	You break my heart in the (20) of an eye
Just (8) all those times before	(21) is the last (22) I'm
You (9) your (10) apology	(23) you
But I was (11) to (12) you leave	Last time I'm asking you
And all the time to let you in	Last time I'm asking you this
Just for you to go again	This is the last time I'm asking you
(13) when you (14) back	(24) time I'm asking you
Everything is better	Last time I'm asking you this
And right before your eyes I'm breaking
