I got it wrong again

I'm one month (5)_____

I don't think I'm getting over my predicament

But if I jumped out of the window (6)_____

(7)_____ she say?

It's not on me, it's all on you

We can't deny the things we do

I can't believe her pretty (8)_____

Walked over me, all (9)_____ me

Help me, help me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

(10)_____ you've had all your fun

It's time to be a man

So you (11)_____ quit (12)_____ bitc*ing

Think (13)_____ (14)_____ the people would say

It's not on me, it's all on you

I can't prescribe (15)_____ you want me to

You (16)_____ some sleep, you better leave

He (17)_____ (18)_____ me, all over me

Wait until tomorrow, and it's gone

So long

Wait (19)_____ tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow (20)_____ it's gone

-He don't got a lot but he's got all he needs-

I need someone to love

-And all he's got well it's all that he needs-

Somebody (21)_____ me because

I could hear the voices in the tube

To get me (22)_____ anything

I do and anything will do good by me

A little pill, a little thrill

Should I (23)_____ it? I (24)_____ I will

And anything will do good so

As long as it's always too good

Either way I don't give a (25)_____

What you people all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't believe her pretty feet

Walked over me, all over me

It's not on me, it's all on you

There comes a time to speak the truth

So you can see me when I leave

Walk over you, all over you yeah
