We can't deny the things we do  
I can't believe her pretty feet  
(4)\_\_\_\_\_ (5)\_\_\_\_\_ me, all over me  
Help me, help me doctor  
It (6)\_\_\_\_\_ to be an awful lot for me to understand

You beg and steal and borrow till it's gone

-And all he's got well it's all (16)\_\_\_\_\_ he needs-  
Somebody (17)\_\_\_\_\_ me because  
I could hear the voices in the tube  
To get me through anything  
I do and anything will do good by me  
A (18)\_\_\_\_\_ pill, a little thrill  
(19)\_\_\_\_\_ I take it? I think I will  
And anything will do good so  
As (20)\_\_\_\_\_ as it's always too good
