Have you seen my nands?					
Just look at them shake					
And the song just keeps on repeating					
(1) the needle again					
And I dance with your ghost					
Oh, but that ain't the way					
I can't move on and I can't stay the same					
And all my friends say:					
Hey, turn the record over					
Hey, I'll see you on the flip side					
There you go, turn the key and engine over					
Let her go, let somebody else lay at her feet					
But have you seen my heart?					
Have you seen how it bleeds?					
And the nights are so long baby					
Out (2) in the deep					
The tick - ticking of hours, lonely
