Doom and gloom by The Rolling Stones

i nad a dream last night		Baby take a chance	Baby take a chance	
I was (1)	a plane	Baby won't you dance with me?		
And all the passengers were drunk and insane		Baby won't you dar	Baby won't you dance with me?	
I crash (2)	in a Louisiana swamp	Fracking (8)	for oil but there's nothing in the sump	
Shot up a horde of zombies		There's kids all picking at the garbage dump		
But I come out on top		I am running out of	I am running out of water so I better prime the pump	
What's it all about?		I am trying to stay s	I am trying to stay sober but I end up drunk	
Guess it just reflects my mood		We'll be eating dirt	We'll be eating dirt	
Sitting in the dirt		Living on this side of the road		
Feeling kind of hurt		There's some food	There's some food for thought	
All I hear is doom and gloom		Kind of makes (9)_	heads (10)	
And all is darkness	in my room			
Through the light, your face I see		Feeling kind of hurt	Feeling kind of hurt	
Baby take a chance		But all I hear is doo	But all I hear is doom and gloom	
Baby won't you dance with me?		And all is darkness	And all is darkness in my room	
Lost all the treasure in an overseas war		Through the night,	Through the night, your face I see	
It just goes to show you don't get what you paid for		Baby, come on		
Bowing to the (3) and you (4) about		Baby won't you dar	Baby won't you dance with me?	
the poor		Baby won't you dar	Baby won't you dance with me?	
Put my feet up on the couch and lock out the doors		I'm feeling kind of h	I'm feeling kind of hurt	
Hear a funky noise		Baby won't you dar	Baby won't you dance with me?	
That's the tightening of the (5)		Come on, dance wi	Come on, dance with me	
Feeling (6) of hurt		I'm sitting in the dir	I'm sitting in the dirt	
Sitting in the dirt		Baby won't you dance with me?		
All I hear is doom a	and gloom			
But when those dru	ıms go boom boom boom			
And through the nig	ght, (7) face I see
