

Fill in the gaps

You had me at hello by A day to remember

I'm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What (8) I gotten into this time around?
(1) so I can get to you before the sun will rise	I know that I had sworn I'd never (9) anyone
I know the signs are on and I feel this too	again
None of that seems to matter when I'm holding you	But I didn't have to
And I'm wasting away, away from you	You had me at hello
And I'm (2) away, (3) from you	-You gave me butterflies at the mailbox-
What have I gotten into this (4) around?	You had me at hello
I know that I had sworn I'd never trust anyone again	-You gave me butterflies at the mailbox-
But I didn't have to	You had me at hello
You had me at hello	(bis)
I've never seen a (5)	What have I gotten into this time around?
That can light the (6) like yours	I know that I had sworn I'd never trust anyone again
It's simply radiant	But I didn't have to
It's even more with everyday that goes by	You had me at hello
I watch the clock so I can make my (7) just	You had me at hello
right	You had me at hello
Would it be okay? Would it be okay?	
If I took your breath away	
And I'm wasting away, away from you
