

Fill in the gaps

You had me at hello by A day to remember

I'm missing you so much	And I'm (14) away, away from you
I'll see you die tonight	What have I gotten into this time around?
Just so I can get to you before the sun (1) rise	I know that I had (15) I'd (16) trus
I know the (2) are on and I feel this too	anyone (17)
None of that seems to matter when I'm (3)	But I didn't (18) to
you	You had me at hello
And I'm (4) away, away from you	-You gave me butterflies at the mailbox-
And I'm wasting away, away from you	You had me at hello
What have I (5) into this (6)	-You (19) me butterflies at the mailbox-
around?	You had me at hello
I know that I had sworn I'd never trust anyone again	(bis)
But I didn't (7) to	What (20) I (21) into this
You had me at hello	(22) around?
I've (8) seen a smile	I (23) that I had sworn I'd (24)
That can light the room (9) yours	(25) anyone again
It's simply radiant	But I didn't have to
It's (10) more with everyday that goes by	You had me at hello
I watch the clock so I can make my timing just right	You had me at hello
Would it be okay? Would it be okay?	You had me at hello
If I took your breath away	
And I'm (11) away, (12)	
(13) you
