You had me at hello by A day to remember

I'm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What (7) I gotten into this time around?
Just so I can get to you before the sun will rise	I know that I had sworn I'd (8) trust
I know the signs are on and I feel this too	(9) again
None of that seems to matter when I'm holding you	But I didn't have to
And I'm (1) away, away (2) you	You had me at hello
And I'm wasting away, away (3) you	-You gave me butterflies at the mailbox-
What have I gotten into this time around?	You had me at hello
I know that I had sworn I'd never (4) anyone	-You gave me butterflies at the mailbox-
again	You had me at hello
But I didn't have to	(bis)
You had me at hello	What have I gotten into this time around?
I've never seen a smile	I know that I had sworn I'd never trust anyone again
That can light the room like yours	But I didn't have to
It's simply radiant	You had me at hello
It's even more with everyday (5) goes by	You had me at hello
I watch the clock so I can make my (6) just	You had me at hello
right	
Would it be okay? Would it be okay?	
If I took your breath away	
And I'm wasting away, away from you
