## The River by Good Charlotte

## Fill in the gaps

As I walk through the valley	And if (8) don't you'll know.
Of the shadow of LA	They say that evil come disguised
The footsteps that were next to me	Like a city of angels,
Have gone their seperate ways	I'm walking towards the light
I've seen enough now to know	Baptized in the river
That beautiful things	I've seen a vision of my life
Don't always stay (1) way	And I want to be delievered
I've done enough now to know	In the (9) was a sinner
This beautiful place isn't everything (2) say	I've done a lot of things wrong
I heard that evil (3) disguised	But I swear I'm a believer
Like a city of angels	Like the prodigal son
Im walking towards the light	I was out on my own
Baptized in the river	Now im trying to find my way back home
I've seen a vision of my life	Baptized in the river
And I want to be delievered	I'm delievered
In the city was a sinner	I'm delievered
I've (4) a lot of things wrong	Baptized in the river.
But i swear im a believer	On my own.
Like the prodigal son	Baptized in the river.

Now im trying to find my way back home	I wanna be delivered.
Baptized in the river	On my own.
I'm delievered	On my own.
I'm delievered	Baptized in the river.
Your (5) a small town.	On my own.
Your gonna grow up fast underneath these lights.	I wanna be delivered.
