Hold me closer one more time	But now the sky is clearer and it's blue
Say that you love me in your (1) goodbye	And I see my (16) in it you
(2) forgive me for my sins	l'll be (17) for you
Yes, I swam (3) waters	(18) you're ready to love me again
But you pushed me in	I put my hands up
I've seen your (4) under every sky	I'll do everything different
Over every border and on every line	I'll be better to you
You (5) my (6) more (7) I	I'll be waiting for you
do	When you're (19) to love me again
We were the greatest, me and you	I put my hands up
But we had time against us	I'll be somebody different
And miles between us	Time against us
The heavens cried	(20) us
I (8) I left you speechless	Heavens cried
But now the sky is clearer and it's blue	I know I (22) you speechless
And I see my future and in it you	Time against us
I'll be waiting for you	(23) between us
(9) you're ready to love me again	Heavens cried
I put my hands up	I know I left you speechless
I'll do everything different	I (24) I left you speechless
I'll be better to you	But I'll be waiting
I'll be waiting for you	I'll be (25) for you
When you're ready to (10) me again	When you're ready to love me again
I put my hands up	I put my (26) up
I'll be somebody different	I'll do everything different
Let me (11) here for just one more night	I'll be better to you
Build your arms (12) me	I'll be waiting for you
You better pull me to the light	W hen you're ready to love me again
So I can show you that I was wrong	I put my hands up
(13) I was a (14) then	I'll be somebody different
But now I'm willing to learn	I'll be better to you
It's been the time against us	
(15) between us	
The heavens cried	
I know I left you speechless
