## Future Love Paradise by Seal

CHORUS

## Fill in the gaps

But if only you could see them	CHORUS
You would (1) from their faces	Paradise, yeah
There were kings and queens	(Love paradise) one in and out is gonna make you feel good
Followed by princes and princesses	(Paradise) coming at you like a hurricane would
There were future power people	(Paradise) stay close to me I'll always be by your side
Throwin (2) to the loveless	Save it, baby, you know that it's all right
Shining a light 'cause they wanted it seen	(Paradise) you remind me of a girl I knew paradise
Well, there were cries	(Paradise) (7) so (8) once
Well, there were cries of why	aside her
Followed by cries of why	(Paradise) you make me feel like I need your love, love
Followed by cries of why not	Want to fill me with your love
Can I reach out for you if that feels good to me?	Fix me with your love, all right
CHORUS	CHORUS
And the (3) will not stop us	CHORUS
'Cause the only love they'll find is paradise	Oh, we'll be livin' in a paradise
No, the riders (4) not stop us	Damn well then make you feel surely
'Cause the only love they'll find is paradise (paradise, yeah)	Like you've felt (9) felt before I'll
Mm, don't you know (5) racism in among future	Give myself to you
kings	And if you change your mind
Can only lead to no good? (to no good)	I'll do anything
Besides your, sons and daughters (sons and daughters)	Just to make the world peaceful
Already (6) how that feels, one day	Just to make life wonderful
One day (One day)	I will drown all your sorrows
All the queens will gather round	In a future love paradise
Spreading love and unity so we can be found	Future love paradise
Well then all the writers say it's all to do with drugs	Future love paradise
Drugs for the gentlemen	Damn, well, then (10) you feel surely
When your love	Like you've never felt before
Inject me with a love, all right	I'll give myself
