Mayday situation overload	"Shut up and kiss me now"
I'm restless, obsessed with your future	And we carry on
And all my worries, they don't bother you	I don't wanna say goodnight
Collected, you render me useless	The city comes alive when we're together
But I carry on	Why can't Thursday last forever?
Right now, I think that you (1) that	I don't wanna say goodnight
I'm half-drunk, (2) for something of	I've never been so sure
substance	Just do it for the memories
To (3) dropping a (4)	Do it for Baltimore
designed	And do it for me
To keep you next to me	Do it for me
