

## Fill in the gaps

I wanna (1) you up	I wanna say it straight -wanna say it straight-
I can hardly hear my footsteps	We (14) be (15) we drea
In the (2) darkness	Something really good -something really good-
I can barely wait to see you	Just let (16) get to it
In your apartment	In your apartment
We were (3) for the better times we	We were heading for the better times we wanted
wanted	We (17) sorry that the distance
We were (4) that the distance	Took (18) than we'd prepared
Took more than we'd prepared	Can't you see (19) own obsessions?
We could do it again	Can't you see you're counting days?
-we could do it again-	Can't you see I'm (20) happy
Just another (5) this time	(21) you're in the house?
Were you ever scared?	You should know I'm (22) waiting
-were you ever scared?-	For the times we never had
Did you seek for reasons to get	You should (23) it's all because of
Far (6) from all the travelling	You're not in the house -you're not in the house-
And talking on the phone?	Can't you see we're going nowhere?
Can't you see it's (7) (8) we've been	Can't you see you're (24) days?
Can't you see the threads?	Can't you see I'm only happy
Can't you see your own obsessions?	When you're in the house?
Can't you see you're (9) days?	Can't you see my only vision?
Can't you see I'm only happy	Can't you see I'm (25) days?
When you're in the house?	You should know I can't be happy
You should know I'm (10) waiting	Till you're in the house
For the (11) we (12) had	
You (13) know it's all because of	
You're not in the house
