

Fill in the gaps

I wanna wake you up	I wanna say it (15)wanna say it
I can hardly hear my footsteps	straight-
In the (1) darkness	We could be whatever we dream
I can barely wait to see you	Something (16) (17)something
In your apartment	really good-
We were heading for the better (2) we wanted	Just let yourself get to it
We (3) sorry that the distance	In your apartment
Took (4) than we'd prepared	We were heading for the better (18) we wanted
We (5) do it again	We were sorry that the distance
-we could do it again-	Took more than we'd prepared
Just (6) ending (7) time	Can't you see your own obsessions?
Were you ever scared?	Can't you see you're counting days?
-were you ever scared?-	Can't you see I'm (19) happy
Did you seek for (8) to get	When you're in the house?
Far (9) from all the travelling	You should know I'm only waiting
And talking on the phone?	For the times we never had
Can't you see it's only what we've been	You should know it's all because of
Can't you see the threads?	You're not in the (20)you're not in the house-
Can't you see (10) own obsessions?	Can't you see we're going nowhere?
Can't you see you're counting days?	Can't you see you're counting days?
Can't you see I'm (11) happy	Can't you see I'm only happy
(12) you're in the house?	When you're in the house?
You (13) (14) I'm only waiting	Can't you see my (21) vision?
For the times we never had	Can't you see I'm (22) days?
You should know it's all because of	You (23) know I can't be happy
You're not in the house	Till you're in the house
