

Fill in the gaps

I saw your picture in a magazine
You looked bigger, brighter, stronger than everything
And I (1) and (2) ho
you left the scene
As you were telling everybody about your dreams
Many times I've been trying to leave you behind me
So many (3) your ghost has followed me home
Now I see, I do, I (4) I can let go
You took me by surprise and then again and again
Oh I see, I do, I (5) I can let go
Knowing you is killing me (6) and again
Well it doesn't make sense
Your hands were steady and your aim was true
A lot of people here, they (7) up to you
You (8) for a minute, said you made the team
Now I'm repeating every word, every thing
Many times I've been trying to leave you behind me

The past and the present just won't leave me alone
Now I see, I do, I feel I can let go
You took me by surprise and then again and again
Oh I see, I do, I (9) I can let go
Knowing you is killing me again and again
Well it doesn't make sense
Well it doesn't make sense
I saw your picture in a magazine
You looked bigger, brighter, stronger than everything
Now I see, I do, I (10) I can let go
You took me by surprise and then again and again
Oh I see, I do, I feel I can let go
Knowing you is killing me again and again
Well it doesn't make sense
