

And your smile is not like mine

Fill in the gaps

Your time will come by Amy Macdonald

On, the wind is gently blowing	it disappears from time to time
As the light begins to fade	But I believe in you
I'm sick and tired of playing it off	And everything (4) ever do
Sick of this parade	So soon your time will come
And your eyes are gently weeping	Get out while you're still young
As the sun begins to shine	May all your dreams come true for someone like you
The end is coming far too soon	So soon your (5) (6) come
I wish I had more time	Get out while you're (7) young
So soon your time will come	May all your dreams come true
Get out while you're still young	So happy for you
May all (1) dreams come true for someone like	So soon your time will come
you	Get out while you're still young
So soon your time will come	May all your dreams come true for someone (8)
Get out (2) you're still young	you
May all your dreams (3) true	So soon your time will come
So happy for you	Get out (9) you're still young
Oh my eyes are getting tired	May all your dreams come true
As the day begins to break	So happy for you
I left it all so far behind
