

Fill in the gaps

Many times I've tried to tell you
Many times I've cried alone
Always I'm surprised how well you
Cut my (1) to the bone
Don't wanna leave you really
I've invested too much time
To (2) you up that easy
To the doubts that complicate your mind
We belong to the light
We (3) to the thunder
We belong to the sound of the words
We've both (4) under
Whatever we deny or embrace
For (5) or for better
We belong, we belong
We belong together
Maybe it's a sign of weakness
When I don't know what to say
Maybe I just wouldn't know
What to do with my (6) anyway
Have we become a habit
Do we distort the facts
Now there's no looking forward
Now there's no (7) back
When you say
We belong to the light
We belong to the thunder
We (8) to the sound of the words
We've both fallen under
Whatever we deny or embrace

For worse or for better We belong, we belong We belong together Close your eyes and try to sleep now Close your eyes and try to dream Clear your mind and do your best To try and wash the palette clean We can't begin to know it How much we really care I hear your voice inside me I see your face everywhere Still you say We belong to the light We belong to the thunder We belong to the sound of the words We've both fallen under Whatever we (9)_ __ or embrace For worse or for better We belong, we belong We belong together We belong to the light We belong to the thunder We belong to the sound of the words We've both fallen under Whatever we (10)_ __ or embrace For worse or for better We belong, we belong We belong together
