## Fine by me by Andy Grammer

## Fill in the gaps

You're not the type	There's no one (7) around
Type of girl to remain	Thinking you're the girl for me
With the guy, with the guy too shy	I'm just saying it's fine by me
Too afraid to say	If you never leave and we can lay like this forever
He'll give his heart to you forever	It's fine by me
I'm not the boy that would fall to his knees	I'm just saying it's fine by me
With his hands clasped tight	If you never leave and we can lay like this forever
Begging, begging you please	It's fine by me
To stay (1) him for worse for better	And it's never easy
But I'm (2) at you now	But darling believe me I'm a skeptical issue
There's no one else around	But when I think of life without us
Thinking you're the girl for me	It seems like: what're we supposed to do?
I'm just saying it's fine by me	But I don't (8) come on to strong
if you never leave and we can lay (3) this forever	I'm just (9) it's fine by me
It's fine by me	If you never leave and we can lay like this forever
In the past I would try try hard	It's fine by me
To commit to a girl wouldn't get too far	It's fine by me
It always somehow seem to fall apart	If you never leave and we can lay like this forever
And you you you I could see what I need	It's fine by me
I could dream realistically	I'm just saying it's fine by me
And knew it (4) was different from the start	If we never leave and we can lay (10) this forever
And it seems that every time we're eye to eye	It's fine by me
I can find (5) piece of you (6) I	
don't want to lost	
And I'm staring at you now
