

## Fill in the gaps

in

I wanna go to the sun	And only the lonely
Hold my life like I've (1) done	(12) the (13) fall
But it's just the devil in me	Only the lonely
The devil that's calling as I come undone	(14) the lonely fall
The sky is getting dark tonight	Fall
Darker (2) the fear	Oh, and I go to the fire
that's gonna pull us apart	But God know the sound of,
The (3) is the sound of love	it's the (15) of love
The sound of love is beating like a fevered heart	It's the beat of my heart that you
And it's the fire, the fire, the fire	(16) beating, it's coming,
It's heavenly, heavenly	coming, (17) for you
Desire, desire	And it's (18) the (19) in me
Desire, desire	It's (20) a (21) to the devil gathered
I wanna lay in the dust	disguise
The (4) is gonna fall here when I lie	Taking me by the hand
God knows it's just the devil in me	And leading me, leading me off to the fire
The (5) that's taking my hand to the fire	And it's the fire, the fire, the fire
I (6) (7) leave you now	It's heavenly, heavenly
Leave you (8) the sun is gonna disappear	Desire, desire
But it's just (9) now	Desire, desire
(10) in my heart is what I've	You don't have to be lost
(11) to fear	-Desire, desire-
And it's the fire, the fire	You don't have to be lost
It's heavenly, heavenly	-Desire, desire-
Desire, desire	You don't have to be lost
Desire, desire	-Desire, desire-
I've got desire, desire	
I've got desire, desire
