

## Fill in the gaps

i wanna go to the sun		And only the lonely
Hold my life like I've never done		Only the lonely fall
But it's just the devil in me		Only the lonely
The devil that's calling as I come undone		Only the lonely fall
The sky is getting dark tonight		Fall
Darker (1) the (2)		Oh, and I go to the fire
that's gonna (3) us apart		But God know the (7) of,
The beating is the sound of love		it's the sound of love
The sound of love is beating (4) a fe	vered heart	It's the beat of my heart that you
And it's the fire, the fire		Finally beating, it's coming,
It's heavenly, heavenly		coming, coming for you
Desire, desire		And it's just the (8) in me
Desire, desire		It's just a door to the devil gathered in disguise
I wanna lay in the dust		Taking me by the hand
The (5) is gonna fall here (6)	I lie	And leading me, leading me off to the fire
God knows it's just the devil in me		And it's the fire, the fire, the fire
The devil that's taking my hand to the fire		It's heavenly, heavenly
I never wanna leave you now		Desire, desire
Leave you like the sun is gonna disappear		Desire, desire
But it's just believing now		You don't (9) to be lost
Believing in my heart is what I've come to fear		-Desire, desire-
And it's the fire, the fire		You don't have to be lost
It's heavenly, heavenly		-Desire, desire-
Desire, desire		You don't have to be lost
Desire, desire		-Desire, desire-
I've got desire, desire		
I've got desire, desire
