

Fill in the gaps

Businessmen drink my blood		If I was scared, I would
Like the kids in art school said they would		And if I was pure, you know I would
And I (1) I'll (2)	(3)	And if I was yours, but I'm not
again		Now I'm ready to start
You say can we still be friends		If I was scared, I would
If I was scared, I would		And if I was pure, you (8) I would
And if I was bored, you know I would		And if I was yours, but I'm not
And if I was yours, but I'm not		Now I'm (9) to start
All the kids (4) always known		Now I'm ready to start
That the emperor wears no clothes		I would rather be wrong
But to bow down to them anyway		Than live in the shadows of your song
Is better than (5) alone		My mind is open wide
If I was scared, I would		And now I'm ready to start
And if I was bored, you know I would		Now I'm (10) to start
And if I was yours, but I'm not		My mind is open wide
Now you're knocking at my door		Now I'm ready to start
Saying please come out (6)	_ the night	Not sure you'll open the door
But I would rather be alone		To step out into the dark
Than pretend I feel alright		Now I'm ready
If the businessmen drink my blood		
Like the kids in art school said they would		
Then I (7) I'll just begin again		
You say can we still be friends
