

Fill in the gaps

My mother (1) to (2) me you're the	And let us see who (13) not blink first
apple of my eye	Not I, not I
Now I wish to (3) you, you are mine	All (14) changing,
I like to steal a smile (4) you	Us (15) by
A kiss from time to time	You're (17) the apple of my eye
Whatever doesn't get me off your mind	Unchanging, always side to side
Move side to side	You are the (18) of my eye
And let me get a good look at you	The apple of my eye
Eye to eye	Let our sun shine bright
And let us see who (5) not blink first	So everyone can hear it
Not I, not I	Day and night
All (6) changing,	It'll be our little secret
Us just getting by	All things changing,
You're still the apple of my eye	Us just getting by
Unchanging, always (7) to side	You're still the apple of my eye
You are the apple of my eye	Unchanging, (19) (20) to side
I (8) like we got through the door	You are the (21) of my eye
when no one was looking	The apple of my eye
But we're still (9) (10) the	
outside in	
Move side to side	
And let me get a (11) (12) at you	
Eye to eye
