Apple of my eye by Ash Koley

Fill in the gaps

My mother (1) to tell me you're the apple of my	And let us see who does not blink first
eye	Not I, not I
Now I wish to tell you, you are mine	All things changing,
I like to steal a (2) from you	Us just getting by
A kiss from time to time	You're still the apple of my eye
Whatever doesn't get me off your mind	Unchanging, always side to side
Move side to side	You are the apple of my eye
And let me get a good look at you	The apple of my eye
Eye to eye	Let our sun shine bright
And let us see who does not (3) first	So (8) can hear it
Not I, not I	Day and night
All things changing,	It'll be our little secret
Us just getting by	All things changing,
You're (4) the apple of my eye	Us (9) getting by
Unchanging, always side to side	You're still the apple of my eye
You are the apple of my eye	Unchanging, always side to side
I feel like we got through the door	You are the apple of my eye
when no one was looking	The (10) of my eye
But we're still watching from the outside in	
(5) (6) to side	
And let me get a good (7) at you	
Eve to eve
