- Hello Okay, well, how much more obvious can I	When I'm with you
(1) it?	You know what I really am all about
He was a boy, she was a girl Okay, well I'm sorry, but if you	You know how the story goes
don't get it by now I'm going to have to say goodbye,	- I told you we shouldn't have let him drive!
sir.	- He said he didn't have that much to drink
Let them know that we're still Rock and Roll	- You knew he had a drinking problem
I don't care about my makeup	- Oh, so (6) my fault!
I like it better with my (2) all ripped up	- No one could lick his own balls quite like he could
Don't know how to keep my mouth shut	- Never forget
You (3) so what? -what-	- It's (7) be okay
I don' t care if I'm misfit	It was the first (8) for both of us. We never really
I like it better than the hipster bull s**t	talked
I am the mother fricking princess	about it afterward. But I think about the events of that day
You still love it	again and again and somehow I know that Winnie does
Some, somehow it's a little different	too.
When I'm with you	When it's you and me
You know what I really am all about	We don't need no one to tell us who to be
You (4) how it really goes	We'll (9) turning up the radio
Some, someway we'll be getting out	What if you and I
Of this town one day	Just put up a middle finger to the sky
You're the only that I want with me	Let them know we're still (10) and Roll
You know how the story goes	Rock and Roll, hey
When it's you and me	Rock and Roll, hey
We don't need no one to tell us who to be	When it's you and me
We'll keep turning up the radio	We don't need no one to tell us who to be
What if you and I just put up	We'll keep turning up the radio
A middle finger to the sky	What if you and I
Let them know we're still Rock and Roll	Just put up a middle finger to the sky
Rock and Roll, hey	Let them know we're still Rock and Roll
Rock and Roll, hey	When it's you and me
Call it a bad attitude dude	We don't need no one to tell us who to be
I'm never going to cover up that tattoo	We'll keep turning up the radio
I might have a couple issues	What if you and I
You say: me too -yeah-	Just put up a middle finger to the sky
Don't care about a reputation	Let them know we're still Rock and Roll
Must be living in the wrong generation	Rock and Roll, hey
(5) is your invitation	Rock and Roll, hey
