## Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes	And I can't go on
Some deep (1) you can (2)	At least not like this
quite disguise	I don't want to lose you
Now I'm scared to ask what it's leading to	But what's the use of holding on
But I'm more afraid of not asking you	I don't really have you
Is there something that you want to tell me	If the feeling's gone
Is there something that I ought to know	Is there something I can do to reach you
Are we something that's still worth fighting for	Are we something more (9) history
Or should I (3) let you go	If there's no way to convince you to stay
Is there something I can do to reach you	And be the way we used to be
Are we something (4) (5) history	Then there's something that I want to tell you
I'll find some way to (6) you to stay	And I want you to believe it's true
If you just tell me honestly	We had something that I'll never forget
Is there something left of you and me	Even if I wanted to
You've got secrets you've (7) keeping for too long	'Cause part of me will always be (10) you
And I'm going crazy acting (8) there's nothing	
wrong	
I can taste the truth every time we kiss
