Is There Something by Christopher Cross

Lately I see clouds of (1) in (2)	And I can't go on
eyes	At (19) not like this
Some deep sadness you can never quite disguise	I don't want to (20) you
Now I'm scared to ask what it's leading to	But what's the use of (21) or
But I'm more (3) of not asking you	I don't really have you
ls there (4) (5) you	If the feeling's gone
(6) to tell me	Is there something I can do to reach you
Is there something that I ought to know	Are we something (22) than history
Are we (7) that's still (8)	If there's no way to convince you to stay
fighting for	And be the way we (23) to be
Or should I simply let you go	Then there's something that I want to tell you
Is there something I can do to (9) you	And I (24) you to believe it's true
Are we (10) more than history	We had something that I'll never forget
I'll (11) some way to convince you to stay	Even if I (25) to
If you just (12) me honestly	'Cause part of me will always be with you
ls (13) something left of you and me	
You've got secrets you've (14)	
(15) for too long	
And I'm (16) crazy (17) like	
there's nothing wrong	
I can taste the truth (18) time we kiss
