There's a place where everyone can be happy	Even though you remain determined to be opposed
It's the (1) beautiful place in the whole fuc**ng	Admittance requires no qualifications
world	It's where everyone has been
It's made of candy canes and planes	and where (7) goes
And bright red (choo-choo) trains	So (8) try not to be impatient
And the meanest little (2)	For we all hate standing in line
And the most innocent little girls	And (9) the farm is (10) and bought
And you know I wish that I could got there	You'll be there without a thought
It's a road (3) I have not found	And eternity, my friend, is a long fu**ing time
And I wish you the best of luck, dear	Because there's no time for fussing
Drop a card or letter to my (4) of town	And fighting my friend
Because there's no time for fussing	But baby I'm amazed at the hate
And fighting my friend	That you can send and
But baby I'm amazed at the hate	You, painted my entire world
That you can send and	But I, don't have the turpentine
You, painted my entire world	To clean what you have soiled
But I, don't have the turpentine	And I won't forget it
To clean what you (5) soiled	
And I won't forget it	
There's a place where (6) can be right
