

I'm finding my heart, using my hands You're my feet on the ground, my footprints From where I began

I still (1)__ ____ your love

I feel your love

We start running, running

Till we escape this town

We don't know where we're going

Till we turn up

Now keep on running, running

I can't slow down

And if I'm lost my shadow's fallen

You light me up

When all I see is darkness

You light me up

When I'm down

And if I fall apart

You know where to find my pieces

(2)_____ they're going to be found?

Keep my eyes shut

Safe in distrust

You're all that I need

My senses shining on me

I still carry your love

I feel your love

We start running, running

Till we escape this town

We don't know where we're going

Till we turn up

Now keep on running, running

I can't slow down

And if I'm lost my shadow's fallen

You light me up

When all I see is darkness

You light me up
