

Sunlight comes creeping in
Illuminates our skin
We watch the day go by
(1) of all we did
It made me think of you
It made me think of you
Under a trillion stars
We danced on top of cars
Took pictures of the state
So far from where we are
They made me think of you
They made me think of you
Oh, lights go down in the moment
We're (2) and found
I just want to be by your side
If these (3) could fly
For the rest of our lives
I'm in the foreign state
My thoughts, they slip away
My words are (4) me
They caught an airplane
(5) I thought of you

## Fill in the gaps

Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If (6) wings could fly
Oh damn, (7) walls
In the moment we're ten feet tall
And how you told me after it all
We'd remember tonight
For the rest of our lives

If these wings could fly
Oh, lights go (8) in the moment

Oh, lights go (8) in the moment
Oh, lights go (8) in the moment We're lost and found
Oh, lights go (8) in the moment We're lost and found I just want to be by your side
Oh, lights go (8) in the moment We're lost and found I just want to be by your side If these wings (9) fly
Oh, lights go (8) in the moment We're lost and found I just want to be by your side If these wings (9) fly Oh damn, (10) walls
Oh, lights go (8) in the moment We're lost and found I just want to be by your side If these wings (9) fly Oh damn, (10) walls In the moment we're ten feet tall
