

Sunlight comes creeping in
Illuminates our skin
We watch the day go by
(1) of all we did
It made me think of you
It made me think of you
(2) a trillion stars
We danced on top of cars
Took pictures of the state
So far from (3) we are
They (4) me (5) of you
They made me (6) of you
Oh, (7) go down in the moment
We're lost and found
I just (8) to be by your side
If these wings (9) fly
For the rest of our lives
I'm in the foreign state
My thoughts, they (10) away
My words are (11) me
They (12) an airplane

Because I thought of you

Fill in the gaps

Just (13) the thought of you
Oh, (14) go down in the (15)
We're (16) and found
I (17) want to be by your side
If (18) could fly
Oh damn, (20) walls
In the moment we're ten (21) tall
And how you told me after it all
We'd remember tonight
For the rest of our lives
If these wings could fly
Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If these wings could fly
Oh damn, these walls
In the moment we're ten (22) tall
And how you told me after it all
We'd remember tonight
For the (23) of our lives
