

Sunlight comes creeping in Illuminates our skin We (1)_____ the day go by (2)_____ of all we did It (3)_____ me think of you It made me think of you Under a trillion stars We danced on top of cars Took pictures of the state So far from where we are They made me think of you They made me (4)_____ of you Oh, lights go down in the moment We're lost and found I (5)____ want to be by your side If these wings could fly For the rest of our lives I'm in the foreign state My thoughts, they slip away My words are leaving me They (6)_____ an airplane

Because I thought of you

Fill in the gaps

Just from the thought of you
Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If these wings could fly
Oh damn, these walls
In the moment we're ten feet tall
And how you told me after it all
We'd remember tonight
For the rest of our lives
If (7) (8) could fly
Oh, lights go down in the moment
We're lost and found
I just want to be by your side
If these wings could fly
Oh damn, these walls
In the (9) we're ten feet tall
And how you (10) me after it all
We'd remember tonight
For the rest of our lives
