Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you (1) when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
(2) the lights turned on?
Maybe I have said
Something that was wrong
Can I (3) it (4)
(5) the lights turned on?
Can I be? Was I there?
It (6) so crystal in the air
It (6) so crystal in the air I still (7) to (8) whenever you leave
I still (7) to (8) whenever you leave
I still (7) to (8) whenever you leave Please teach me gently how to breathe
I still (7) to (8) whenever you leave Please teach me gently how to breathe And I'll cross oceans like never before
I still (7) to (8) whenever you leave Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too
I still (7) to (8) whenever you leave Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (9) images back at you
I still (7) to (8) whenever you leave Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (9) images back at you So you can see the way I feel it too
I still (7) to (8) whenever you leave Please teach me gently how to breathe And I'll cross oceans like never before So you can feel the way I feel it too And I'll (9) images back at you So you can see the way I feel it too Maybe I have said
