Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, (1) away
Can you hear when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it (2)
With the (3) turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so (4) in the air
, ,
I still (5) to drown whenever you leave
I still (5) to drown whenever you leave
I still (5) to drown whenever you leave Please teach me gently how to breathe
I still (5) to drown whenever you leave Please teach me gently how to breathe And I'll cross oceans like (6) before
I still (5) to drown whenever you leave Please teach me gently how to breathe And I'll cross oceans like (6) before So you can feel the way I feel it too
I still (5) to drown whenever you leave Please teach me gently how to breathe And I'll cross oceans like (6) before So you can feel the way I feel it too And I'll sing images back at you
I still (5) to drown whenever you leave Please teach me gently how to breathe And I'll cross oceans like (6) before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too
I still (5) to drown whenever you leave Please teach me gently how to breathe And I'll cross oceans like (6) before So you can feel the way I feel it too And I'll sing images back at you So you can see the way I feel it too Maybe I have said
