Shelter by Birdy

Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt (1) way?
Maybe I (2) said
Something that was wrong
Can I make it (3)
With the lights turned on?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I (4) want to drown whenever you leave
Want to drown whenever you leave (5) teach me gently how to breathe
(5) teach me gently how to breathe
(5) teach me gently how to breathe And I'll cross oceans (6) never before
(5) teach me gently how to breathe And I'll cross oceans (6) never before So you can feel the way I feel it too
(5) teach me gently how to breathe And I'll cross oceans (6) never before So you can feel the way I feel it too And I'll (7) images back at you
