

They walk in and sit down
With their (1) of the day
They read books over tea
They give tips when they pay
Butter and bread, diet coke and cake
She takes notes, she makes no mistakes
Well daylight is fading
(2) traders are trading
While the jukebox is playing
The lovers are dating
The waitress is waiting
For a (3) to explode
For a light to go on
For some sign to show
Her time has yet to come
She's counting the days
Until real life arrives
She's counting: two, three, four, five
And every minute feels
Just like the one before
No surprise, no twist
She wants so much more

When will that thing explode?
