## Seven Nation Army by The White Stripes

I'm gonna fight 'em all	And that aint what you want to hear
A nation army couldn't (1) me back	But (5) what I'll do
They're (2) rip it off	And the feeling coming from my bones
Taking their time right behind my back	Says find a home
And I'm (3) to myself at night	I'm (6) to Wichita
Because I can't forget	Far from this opera for evermore
Back and forth through my mind	I'm gonna work the straw
Behind a cigarette	Make the sweat drip out of every pore
And the message (4) from my eyes	And I'm bleeding, and I'm bleeding, and I'm bleeding
Says leave it alone	Right before the lord
Don't want to hear about it	All the (7) are gonna bleed from me
Every single one's got a story to tell	And I will sing no more
Everyone knows about it	And the stains (8) from my blood
From the Queen of England to the hounds of hell	Tell me go back (9)
And if I catch it coming back my way
