

Moonshine by Bruno Mars

Hello, you know
You look even better than the way you did not before
And the moment that you kissed my lips you know
I started to feel wonderful
It's something incredible
There's sex in your chemicals
Oh, let's go
You're the best way I know
To escape the extra ordinary
This world ain't for you
And I know for damn sure this world ain't for me
Lift off and say goodbye
Just let your (1)_____ set me free
Moonshine, take us to the stars tonight
Take us to that special place
That place we went the last time, the last time
I know I was with you last night
But it (2)_____ like it's been so long
And (3)_____ that's around they knows
That I'm not myself (4)_____ you gone
It's good to see you again
Good to see you again
On top of the world
