

Fill in the gaps

Well look at here (1) at here	You'll tell me
Ah what do we have?	Baby baby please don't go away
Another (2) thang ready for me to grab	But when I play, I never stay
But little does she know	To every girl that I meet here this is what I say:
That I'm a wolf in sheep's clothing	Run run run away, run away baby
Because at the end of the night	Before I put my spell on you
It is her I'll be holding	You better get get away get away darling
I love you so	Because everything you heard is true
That's what you'll say	Your poor little heart will end up alone
You'll tell me	Because lord knows I'm a rolling stone
Baby (3) please don't go away	So you better run run run away run away baby
But when I play, I never stay	See I ain't try to hurt you baby
So every girl that I meet here this is what I say	No, no, no I just wanna work you baby, yep yep
Run run run away, run away baby	See I ain't try to hurt you baby
Before I put my spell on you	No no, no I just wanna work you baby
You'd better get get away get away darling	If you're scared you better run -you better run-
Because everything you heard is true	You better run -you better run-
Your poor (4) heart will end up alone	You better run -you better run-
Because lord (5) I'm a rolling stone	You better you better
So you (6) run run run (7) run	Run run run away, run away baby
away baby	Before I put my spell on you
Well let me think let me think	You better get get away get away darling
Ah (8) should I do?	(10) everything you heard is true
So many eager young bunnys	Your poor little heart will end up alone
That I'd (9) to pursue	Because lord knows I'm a rolling stone
Now even now they eating out the palm of my hand	So you better run run run away run away baby
There's only one carrot and they all gotta share it	
I love you so	
That's what you'll say
