

Fill in the gaps

(1) of the matter is I'm complicated	Because this ain't wonderland
You're straight as they come	It damn sure ain't Narnia
You go about your day, baby	And once you cross the line
While I hide from the sun	You can't change your mind
It's (2) if you don't understand	Yeah, I'm a monster but I'm no Fi
Because you won't know what it's like	And quite frankly
Until you try	I've been feeling insane in between
You know I, I've been waiting on the other side	I really can't explain what I feel in
And you, all you (3) do is cross the line	If you knew what I was, you'd run
I could wait a whole life time	Many have (6) to go
But you just gotta decide	Cross over the line and come bad
You know I	But that's the price we pay
I've been waiting on the other	When we living on the other side
Waiting on the other side	You know I, I've been (7)
We would live forever	And you, all you gotta do is cross
Who could ask for more	I could wait a (8) life
You could die if you wanted	But you just gotta decide
But baby, (4) for?	You know I, I've been waiting on
It's better if you don't understand	Waiting on the (9)s
And you won't know (5) it's like	It's better if you don't understand
Until you try	It's better if you don't understand
You know I, I've been waiting on the other side	It's (10) if you do
And you, all you gotta do is cross the line	It's better if you don't understand
I could wait a whole life time	It's better if you don't understand
But you just gotta decide	It's better if you don't understand
You know I, I've been waiting on the other	
Waiting on the other side	
If they say life's a dream call this insomnia	

no Frankenstein etween my eyes el inside run and hide to go into the night back alive side _ on the other side ross the line _ life time on the other __ side and and u don't understand and and
