Thinking about you by Calvin Harris

If I told you	In a moment, I know (7) everything could change
That this couldn't get better baby	And I know that my life would never be the same
And your heartbeat	You're the only one that's making sense to me
It lets me know you feel the same	When I close my eyes, you're the one I see
I can hold you	There's no other way I could ever be
Keep you safe (1) you fall asleep	Without you baby
(2) worried	Now everything I do, is all for loving you
Because I can give you what you need	It's not something that we used to
Now everything I do, is all for loving you	No other way to say, I need you every day
It's not something that we used to	And now I'm going to change my ways
No other way to say, I need you every day	And it's a part of you, I never want to lose
And now I'm (3) to change my ways	I'll do anything you want me to
And it's a part of you, I never want to lose	Like any other day, I know I'll find a way
I'll do anything you (4) me to	And if ever I'm alone you'll say
Like any other day, I know I'll find a way	I'll be thinking about you
And if ever I'm alone you'll say	I'll be thinking about you
I'll be thinking about you	I'll be (8) about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking (5) you	I'll be thinking (9) you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	
I'll be (6) about you
