

Fill in the gaps

Thinking about you by Calvin Harris

If I told you	In a moment, I know that everything (15)
(1) (2) couldn't get better baby	change
And your heartbeat	And I (16) that my (17)
It (3) me know you feel the same	(18) never be the same
I can hold you	You're the (19) one that's (20)
Keep you (4) (5) you fall asleep	sense to me
Never worried	When I (21) my eyes, you're the one I see
(6) I can (7) you (8)	There's no other way I could ever be
you need	Without you baby
Now everything I do, is all for loving you	Now everything I do, is all for (22) you
It's not something that we used to	It's not something that we used to
No other way to say, I need you every day	No (23) way to say, I (24) you
And now I'm going to (9) my ways	(25) day
And it's a part of you, I never want to lose	And now I'm (26) to change my ways
I'll do anything you want me to	And it's a part of you, I never want to lose
(10) any other day, I know I'll find a way	I'll do anything you want me to
And if ever I'm alone you'll say	Like any (27) day, I know I'll find a way
I'll be thinking about you	And if ever I'm alone you'll say
I'll be thinking about you	I'll be thinking about you
I'll be thinking (11) you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
I'll be thinking about you	I'll be thinking about you
l'll be (12) about you	I'll be thinking about you
I'll be (13) about you	I'll be thinking about you
I'll be (14) about you	I'll be thinking about you
	I'll be (28) about you
