Fill in the gaps

Thinking about you by Calvin Harris

f I told you		In a moment, I know that everything could change	
That this couldn't get better baby		And I know that my life would never be the same	
And your heartbeat		You're the only one that's making sense to me	
It lets me know you feel the same		When I close my eyes, you're the one I see	
I can (1) you		There's no other way I could ever be	
Keep you (2) until you fall asleep		Without you baby	
Never worried		Now everything I do, is all for loving you	
Because I can give you what you need		It's not something that we used to	
Now everything I do, is all for loving you		No other way to say, I need you every day	
It's not something that we used to		And now I'm going to change my ways	
No other way to say, I need you every day		And it's a part of you, I (6) want to lose	
And now I'm going to change my ways		I'll do anything you want me to	
And it's a part of you, I never want to lose		Like any other day, I (7) I'll find a way	
I'll do anything you want me to		And if ever I'm alone you'll say	
(3) any (4)	day, I know I'll find a way	I'll be thinking about you	
And if ever I'm alone you'll say		I'll be thinking about you	
I'll be thinking about you		I'll be (8)	about you
I'll be thinking about you		I'll be thinking about you	
I'll be thinking about you		I'll be thinking about you	
I'll be thinking about you		I'll be thinking (9)	you
Il be thinking about you		I'll be thinking about you	
I'll be (5)	_ about you	I'll be thinking about you	
I'll be thinking about you			
I'll be thinking about you
