

## Fill in the gaps

| I'm tired of being what you want me to be             | And every second I (5) is more than I can take.         |
|---|---|
| Feeling so faithless, lost (1) the surface            | I've become so numb, I can't feel you there,            |
| Don't know what you're expecting of me                | Become so tired, so much more aware                     |
| Put under the pressure of walking in your shoes       | I'm becoming this, all I want to do                     |
| (Caught in the undertow, just caught in the undertow) | Is be more like me and be less like you.                |
| Every step that I take is another mistake to you      | And I know  |
| (Caught in the undertow, just caught in the undertow) | I may end up (6) too.                                   |
| I've (2) so numb, I can't feel you there              | But I know  |
| Become so tired, so much more aware                   | You were just like me with someone disappointed in you. |
| I'm becoming this, all I want to do                   | I've become so numb, I can't feel you there,            |
| Is be more like me and be less like you               | Become so tired, so much more aware.                    |
| Can't you see that you're smothering me,              | I'm becoming this, all I want to do                     |
| Holding too tightly, (3) to lose control?             | Is be more like me and be less like you.                |
| 'Cause everything that you thought I would be         | I've become so numb, I can't feel you there.            |
| Has fallen apart right in front of you.               | (I'm tired of being (7) you want me to be)              |
| (Caught in the undertow, just caught in the undertow) | I've become so numb, I can't feel you there.            |
| Every step that I take is another (4) to you.         | (I'm (8) of (9) what you want me to                     |
