## Prisoners by Carlos Jean, DJ Nano & Ferrara

(1) the prisoners	We're waiting for somebody
I can see the mirror of life	(7) who brings salvation
All (2) crimes are also mine	Listening the prisoners
The (3) jail is inside	I feel like talking to myself
Invisible chains	The history of humankind
Break (4) for you	Is the story of a man
Break them for us	Invisible chains
Break them for me	Break them for you
Listening the prisoners	(8) them for us
I feel the captain of my soul	Break them for me
I'm the master of my fate	Break them for free
The real jail is inside	We're living for tomorrow
Invisible chains	We're living for so long
Break them for you	We're (9) for somebody
Break them for us	Someone who brings salvation
(5) them for me	-You wait, you wait, you wait
(6) them for free	
We're living for tomorrow	
We're living for so long
