

Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days

When it was safe to dream awake

We designed a land

Where every child would like to stay

With no fear of heights

We climbed up the tallest tree

With a better view

We have the power to control

The rules of a place we've been only looking for

It's up to us to build a new world

We need to be this world

So (1)_____ on, don't be scared, we are taking off

Because without love we'll never be the same

Because without hope we'll (2)_____ be strong

You need to fight for (3)_____ for saving your soul

You need to fight for life for saving your soul

Take this first step

To (4)_____ the colors someone set

Draw your own lines

While there's hope, there's love

We (5)_____ to be this world

We have the power to control

We need to be this world

So come on, don't be scared, we are taking off

Because (6)_____ love we'll never be the same

Because without (7)_____ we'll never be strong

You need to fight for life for saving (8)_____ soul

You need to (9)_____ for life for saving your soul

You need to fight for life

Because without love...

You need to fight for life

Because without love...

The rules of a place we've been only looking for

It's up to us to (10)_____ a new...

Fill in the gaps

Answer
