Fill in the gaps

Fight for life by Carlos Jean & LucÃ-a Scansetti

Remember the days	Draw your own lines
When it was safe to dream awake	While there's hope, there's love
We designed a land	We need to be this world
Where every child would like to stay	We have the power to control
With no fear of heights	We need to be this world
We climbed up the tallest tree	So come on, don't be scared, we are taking off
With a better view	Because (5) love we'll never be the same
We have the power to control	Because without (6) we'll (7) be
The rules of a place we've been only looking for	strong
(1) up to us to build a new world	You (8) to fight for life for saving your soul
We need to be (2) world	You need to fight for life for saving your soul
So come on, don't be scared, we are taking off	You need to fight for life
Because without love we'll never be the same	(9) without love
Because without hope we'll never be strong	You need to fight for life
You need to fight for life for saving your soul	Because without love
You need to fight for life for saving your soul	The rules of a place we've been only (10)
