

## Fill in the gaps

We can't love, not like this	Never loved, no you never loved me
You broke me down, do I even exist?	After all that I gave, I did for you boy
After everything	<em>I'm trying to keep the peace</em>
Give you everything, I lost everything	We become a nightmare
_ove is so lonely now	Ruining my sleep
don't wanna run no more	Pain in my right ear
Can't believe in all the s*it that I did for you	Saying s*** me (6)
And I (1) wanna hurt no more	I throw a spanner in the works and they leak
Oh my heart, It must have been too big for you	Oh what a dream
So caught up in the love I felt for you	You ain't got my soul
burned down, like a flame I held for you	Judge a book by the cover
But it never was enough, I never got your love	When I saw you in the book
loved you so much but you (2) gave a f***	Managing my love
Never loved, no you never loved me	You always been my row
After all the love that I gave to you boy	And now I'm left back, feeling kinda cold
Never loved, no you never loved me	We can't love, not like this
Never loved, no you never loved me	You broke me down, do I even exist?
Gave it all I had, gave it all I could	After everything
Got me feeling ways I probably never should	(7) you everything, I (8) everything
Could have been my best performal of the show	Love is so lonely now
But (3) never know, now we'll never know	I don't wanna run no more
guess I remember our (4) date	Can't believe in all the (9) (10) I did for
Never thought I'd ever say I hate you	you
You can't probably hear me because I'm far away	And I don't wanna hurt no more
You could only seen or love me yesterday	Oh my heart, It must have been too big for you
don't wanna run no more	So caught up in the love I felt for you
Can't believe in all the s*it that I did for you	I burned down, like a flame I held for you
And I don't wanna hurt no more	But it never was enough, I never got your love
Oh my heart, It must have been too big for you	I loved you so much but you never gave a f***
So caught up in the love I felt for you	Never loved, no you never loved me
burned down, like a flame I held for you	After all the love that I gave to you boy
But it never was enough, I never got your love	Never loved, no you never loved me
(5) you so much but you never gave a f***	Never loved, no you never loved me
Never loved, no you never loved me	After all that I gave, I did for you boy
After all the love that I gave to you boy	Never loved, no you never loved me
Never loved, no you never loved me
