Call my name by Cheryl

Fill in the gaps

How you think I feel when you call my name		
You got me confused by the way I change		
How you think I feel when you call my name		
My name, say my name baby		
Yes I love you say		
For the way I (1)		
We've been apart		
It's an endless circle of poison		
Arrow to my heart		
Saying I, I love what you do to me		
Need you to stay with me		
I, I love you too (2) to let go		
How you think I (3) when you call my name		
You got me confused by the way I change		
How you (4) I feel when you call my name		
My name, say my name baby		
How you think I feel when you call my name		
You got me confused by the way I change		
How you think I feel when you call my name		
My name, say my name baby		
It's a (5) thought of my baby taking up		
my time
